INTERNATIONAL POWER & MITSUI - JUNIOR SCHOLARSHIPS

Tournament Skiing is a family sport for all ages (8-88) that is expected to be conducted in a manner supporting family values. Over time this sport can develop the human body to a unique level of fitness, stamina and strength while being fun.

Tournament Skiing is a sport that does have the potential to be dangerous if conducted recklessly.

The Latrobe Water Ski Club in conjunction with International Power & Mitsui is offering eight (8) two year Junior Scholarships for the 2007/8 season. These scholarships are open to Girls and Boys between the ages of 8 – 15 years who will join the Clubs junior squad.

These scholarships provide

- Two years junior membership to the Club
- Availability of skis for Slalom, Tricks & Jump
- Skiing Safety clothing.
- Coaching between November and March each summer
- Provision of a Ski tow boat for training.

The awarding of the scholarships has an assessment process that will examine motivation and natural skills of the applicant. This process will involve a written application and a come and try water ski lesson for a selected short list of applicants to assess the final squad selection.

Successful applicants and their parents or guardians shall be required to sign a Memorandum of Understanding.

It is therefore expected that any person under 16 years of age nominating for a scholarship will be accompanied at all squad activities by a parent or guardian. It should be noted that any parent or guardian of a successful applicant who wishes to participate in the sport will receive assistance for that to occur.

Applications must be submitted by 15 September. The short list of applicants will be expected to attend a ski lesson in first two weeks of November. Scholarships will be awarded in the third week of November in preparation for coaching beginning in the first week of December.

An information afternoon (2-4 pm) will be held on 19 August at the Latrobe Water Ski Club, Halls Bay Road Yallourn North (west 1st L out of village & 1st R) .
